ACCESSIBILITY INFORMATION

- This route has no stiles but does include other structures i.e. steps, gates, boardwalks or bridges.
- This route includes steps or steep inclines.
- This route includes one or more busy road crossings or a section of road walking.
- This route includes sections of difficult terrain i.e. rough ground, boggy grass or scree.
- This route lies within remote areas, away from settlements. You are advised to carry a mobile phone and advise someone of your planned route before setting off.
- Please don't drop litter, use a litter bin or take it home with you.
- Please pick up after your dog. Use a litter bin to dispose of the waste or take it home with you.

DESCRIPTION

1. A good place to start is before the roundabout on Wawne Road as there are safe zebra crossings onto the junction of Cumbrian Way and back onto Wawne Road.
2. Continue onto Wawne Road following the footway, until arriving opposite Gypsy Moth Lane.
3. Turn left and cross Wawne Road to access Gypsy Moth Lane
4. Enter Gypsy Moth Lane and continue until
5. turning left onto Brecon Drive.
6. Then take a right onto Ings lane
7. Carry on walking until arriving at a tree-lined trail. Passing the back of Broadacre Primary School and continue until arriving at the zebra and cycle crossing.
8. Safely proceed over the zebra crossing and carry on walking along the shared footway and cycle track.
9. Turn left at the cycle track and footway junction and carry on walking through the tree-lined pathway until;
10. turning left at the local park onto Hemble Way.
11. Follow the footpath around Hemble Way, turning left around halfway round and you'll come to an alleyway.
12. Pass through the alleyway onto the path around the Midmerdales and continue until reaching Kesteven Way
13. Cross Kesteven Way and turn right, following the footway along Kesteven Way
14. At the post box turn right to cross Kesteven Way and join the footpath into Foredyke Green landscaped park area,
15. Follow the path alongside Foredyke Clough to Wawne Road
16. Cross Wawne Road at the zebra crossing and turn left before returning to your start point on Wawne Road.

FEATURES OF INTEREST

- The drain known as the Forthdyk (now Foredyke Stream) was first cut in the early 13th century. The drain's primary function is thought to have been as a waterway, though it drained Wagne (Wawne), Sutton, Bransholme, and Swine.
- Foredyke Green Nature Area is a great family area. It has a labyrinth designed by Kingswood Vicar Rev Ben Norton. The labyrinth is designed to provide a peaceful place for reflection. The area also contains a large pond with three, large dipping platforms and plenty of safe, play space for children.
