NOTICE TO MARINERS No. 6/2026

River Hull – Update on breach at Ashcourt's site

MARINERS ARE ADVISED that good progress has been made on the installation of a new replacement section of sheet piled flood defence wall at the Ashcourt's site at Foster Street.

The new structure is substantially complete and the final phase of the project is underway to remove the damaged original sheet piling from the river bed.

Whilst this final phase is ongoing a temporary lighted marker pole with lantern (Fixed Yellow) remains in place to mark the riverward extremity of the fouled area, as shown in the photograph below.

**Ashcourt site looking north towards
Wilmington Bridge with beacon marked
in blue**

OFFICIAL

MARINERS ARE REQUIRED to keep to the west side of midriver, at slow speed, and well clear of the beacon when passing the site and that the **requirements of River Hull Notice to Mariners No 2 of 2025 remain in force** until completion of the removal works which are expected to take several more weeks.
