NOTICE TO MARINERS No. 10/2026

River Hull – Survey Operations

MARINERS ARE ADVISED that commencing on Monday 22 June 2026, and continuing until approximately 10 July 2026, a 3 metre Seastrike craft will be undertaking a river channel survey of the River Hull from the entrance at Sammy's Point up to Stoneferry Bridge on behalf of the Environment Agency.

The survey craft will operate Monday to Friday each week and will be launched up to two hours before high water on the daytime tide from the slipway at The Horsecwash and be recovered each day before low water.

The craft will be manned by two persons and will maintain a listening watch on VHF Ch 22.

MARINERS ARE REQUIRED to make contact on Ch 22 when approaching the survey craft to agree a safe passing manoeuvre.
